Social Skills

Level: **C**

Word Count: **79 words**

## Social Skills Focus:

### Sharing

To use something together.

## Tips for Reading this Book with Children:

1. Read the title and make predictions about the story.

*Predictions – after reading the title have students make predictions about the book.*

2. Take a picture walk.

*Talk about the pictures in the book. Implant the vocabulary as you take the picture walk.*

*Have children find one or two words they know as they do a picture walk.*

3. Have students read the 1st page of text with you.

4. Have students read the remaining text aloud.

5. Strategy Talk – use to assist students while reading.

- Get your mouth ready
- Look at the picture
- Think...does it make sense
- Think...does it look right
- Think...does it sound right
- Chunk it – by looking for a part you know

6. Read it again.

7. Complete the activities at the end of the book.

Sharing means you use things together or take **turns**.

You can **share** things with  
your **family**.

How do you share  
with your family?

You can share your video game.

When your friends come over, you can share snacks with them.

You can share **equipment** with  
your **team**.

You can share crayons with your classmates so everyone can get their work done.

That's great sharing!

You can share when you **play** at the park.

We take turns.

You can share your seat when  
you ride the bus.

What are some other ways you share every day?

Who can you share with?

# What Would You Do...

If you had a toy that everyone wanted to play with?

If you saw someone not sharing?

If you were playing a board game and your friend wasn't taking turns?
